Professional Profile

I am confident, reliable and an extremely hardworking individual. I am an effective communicator and work well in both team environments and autonomous roles. I believe in honesty and efficiency and take immense pride in my work and all accomplishments.

I am currently employed as an apprentice plumber, drainlayer and gas fitter with Dwan & Andrews Ltd in Hokitika. I have held the role for 6 months. My apprenticeship provider is with SKILLS. Prior to this role I was employed with Bascik Transport Ltd as a Class 2 truck driver for 2 years. It was my second time being employed with Bascik Transport. My first time with them I also was employed for 2 years.
